

CMP Monthly Report July - August 2016

Overview:

This report will contain the activities from mid-July to mid-August.

Latest workings:

A member contacted me about the two workshops being presented on 8/20. She asked if she could attend. I am unsure if these two workshops are open to the membership, though they are displayed on our home page. Therefore, I have directed her to contact the President on this.

I have updated the CMP CEU webpages. I have added fill-in-able forms and updated the information on the pages (Academic Coursework, Independent Studies, PINRA, and hosting a workshop).

I am currently working with an organization in the UK to provide CEUs to the RID Certificated interpreters residing in the UK. <http://linguistpd.co.uk/> I was offered an opportunity to watch one of their webinars, and took them up on their offer. I am awaiting to hear back to determine what our next step is.

I am working with Pula Interpreting to coordinate five (5) of Bonnie Gibson-Brydon's HOT Seat Mentorship © events.
